---

This list does not cover all known allergens; only some of the more commonly recognized ones. If other potential allergens are of a concern to your company, please specify them. This product may be manufactured on shared equipment with other products containing foods from column 1 because we may use one or more of the listed ingredients at some point in production. We are aware of the serious potential for cross-contamination of allergenic materials in the manufacture of our products. Please note that we follow FDA Good Manufacturing Practices (GMPs) and have implemented a Hazard Analysis Critical Control Point (HACCP) plan. All allergenic raw materials are clearly labeled and all production personnel are trained in the proper handling of these materials.
